### New Spinners Group!!

The Library Spinners Group meets on the last Thursday of the month (except for November) from 5:30 pm until 9:30 pm in the Hopkinton Library Community Room. We welcome men, women and children who enjoy spinning, knitting, crocheting or other fiber arts. This is a very informal and friendly group ~ stop in for as long as you want or just to say hi. Please contact us at [LibrarySpinners@gmail.com](mailto:LibrarySpinners@gmail.com) for additional information.

*Coffee (or Tea...) and a Good Book*

Starting in September, we will be allowing patrons to bring a beverage of choice (within reason!) in a covered container into the library. We will test this for a month and if we have no mishaps, we'll make it a policy. Enjoy the porches while it's still warm or one of our comfy chairs. After all, Borders is no longer an option!!

### (STILL) WANTED:

- ✓ Volunteers with Rare Book Expertise to consult with us on titles that have been donated.
- ✓ Volunteers with experience selling on eBay or Amazon etc.
- ✓ Volunteers to help with our Gardens!

### THANK YOU!

- ❖ **Annie Frye and Babbie Wilkie for cleaning up the gardens and planting mums!!**
- ❖ **Mary Bradbury for dedicating her recently released collection of poems "Windows of My Heart" to the Hopkinton Town Library, saying "The Hopkinton Town Library is indeed an exciting place for all ages. I as a senior resident always feel welcome and comfortable when I visit our public library. Many thanks to all whose generosity and unselfish work have made the library a pillar of our town.."**
