For use in the library or from your own home computer. Check it out!

### ONLINE COMMUNITY CALENDAR.

Hosted on the library's website ([hopkintontownlibrary.org](http://hopkintontownlibrary.org)) we now have an online community events calendar. Click on "Hopkinton Events Calendar" on the green bar at the top of the site. You can check out events from the library, Slusser Center, school and Recreation Departments and more. We encourage people to send us information about other events in town by emailing us at [hopkintoncalendar@gmail.com](mailto:hopkintoncalendar@gmail.com). This will be a single place that you can check for upcoming community events, or to help you to choose a date for an event you are planning. We encourage people to let us know about upcoming events. If you have thoughts on this, please contact Donna.
